

# **RULES FOR BEACH FIRES** **and FIREWORKS!**

- \* ALL FIRES AND FIREWORKS MUST BE 100 FT. FROM THE SAND DUNES.**
- \* FIRES ARE TO BE NO BIGGER THAN 3 FT. HIGH AND 3 FT. IN DIAMETER.**
- \* DO NOT LEAVE FIRES UNATTENDED.**
- \* TAKE A SHOVEL WITH YOU AND PUT YOUR FIRE COMPLETELY OUT BEFORE LEAVING.**
- \* BE AWARE OF THE WIND AND WHERE YOUR SPARKS AND FIREWORKS WILL FLY!**

**The BEACH GRASS is extremely dry. It will catch fire and spread quickly and easily. YOUR fire could damage nearby dunes and structures.**

**Your cooperation is needed. If these rules are not followed, we will put your fire AND FIREWORKS out for you.**

**Thank You,**
